

Clean Wave

Hair, Fur fleece and Oil Spill Clean-up

A Program of:

Matter of Trust

3338 17th Street, San Francisco, CA 94110

(415) 252-1177 team@matteroftrust.org

The Clean Wave Program

You shampoo because hair collects oil.

Salons, pet groomers and fleece farmers can **sign up** with us to donate waste clippings and turn them into useful resources to clean up our environment.

Did you know:

- There are 2,600 oil spills/year on average.
- 50% of oil in our water ways is used motor oil from street run off into storm drains.
- Felted hair mats, booms and waddles can help all this and create green jobs!

For more information please visit:
