

Clean Wave

Hair, Fur, fleece and Oil Spill Clean-up

A Program of:

Matter of Trust.org

(415) 242-6041 team@matteroftrust.org

The Clean Wave Program

You shampoo because hair collects oil.

Salons, pet groomers, fleece farmers as well as hairy/furry individuals are welcome to **sign up** with us to donate waste fiber clippings and help us turn them into useful resources that clean up our environment.

Did you know?

- There are 2,600 oil spills/year on average.
- 50% of oil in our water ways is used motor oil from street run off into storm drains.
- Felted hair mats, booms and waddles can be used in oil spills emergencies, and for regular storm drain/construction sites maintenance creating green jobs!

For more information please visit:
