

Your pet's trim helps to keep waterways clean!

Tell your pet groomer we accept fur clippings

Unwashed, recycled fibers (clippings from salons and pet groomers) are generously being mailed to our charity. We felt them into mats that soak up oil spills.

You shampoo because hair collects oil!

Donors, please keep these boxes 100% debris-free!

Our partners, staff and volunteers thank you.

No contamination such as: poop, rocks, sticks, hard seeds, rubber bands, pins, clips, papers, foils, food, etc.

We ask this for safety reasons, because litter can dangerously break the machines' needles.

Thank you for your consideration and your animals' contribution to green jobs and clean water.

Please contact us if you would like to donate any fur.

City storm drain with mat
