

Your haircut helps to keep waterways clean!

Tell your hair salon we accept hair clippings

Recycled fibers (clippings from salons and pet groomers) are generously being mailed to our charity. We felt them into mats that soak up oil spills.

You shampoo because hair collects oil!

Our volunteers appreciate how staff and clients keep these boxes 100% debris-free (no rubber bands, pins, clips, papers, foils, food, cigarettes, extension tips, or synthetic extensions). This is for safety reasons because litter can damage the machines' needles.

Individuals can also mail in loose hair longer than 3 inches.

Thank you for your consideration and contribution to green jobs and clean water!

RECYCLING ALERT COVID-19!

Please save or send us clippings of hair (3 in - 10cm or longer), any pet fur, alpaca fleece.... (all pure - no debris)

We are currently accepting these fibers for oil spills. Please contact us for special mailing addresses during COVID-19.

City storm drain with mat
