Post any fiber donations on TheHumSum.org, an environmental social media platform created by matteroftrust.org

Thank you! This salon is donating hair to help clean up oil spills.

You shampoo because hair collects oil!

David making a scrim with long fibers 4" (10cm) or more

Lonnie filling 2 scrims with short fibers 1-4" (3-10cm)

A finished mat that can go under leaky cars or into storm drains

50% of oil in our waterways enters via storm drains

Inlet Guard with hair mat inside a storm drain
