

Your haircut helps to keep waterways clean!

Tell your hair salon we accept hair clippings

Recycled fibers (clippings from salons and pet groomers) are generously mailed to our charity. We felt them into mats that soak up oil spills.

You shampoo because hair collects oil!

Our volunteers appreciate how staff and clients keep these boxes **100% debris-free** (zero rubber bands, pins, clips, papers, foils, food, cigarettes, extension tips, etc.) This is for safety reasons because litter can damage the machines' needles.

Thank you for your consideration and contribution to green jobs and clean water!
