FRANCISCO, CA 94103

Are you interested in felting local recycled waste fibers (hair, fur, fleece) into mats that soak up oil spills and remediate soils ?

You shampoo because hair collects oil!

Our nonprofit will help you get started collecting clippings and manufacturing locally. This can be done part-time out of a small garage.

Let's mobilize to help mulch farms and keep waterways clean in your area!

EVER HAVE OIL SPILLS OR LEAKS ?

SCHEDULE A ZOOM!

TEAM@MATTEROFTRUST.ORG

**You shampoo
because hair
collects oil!**

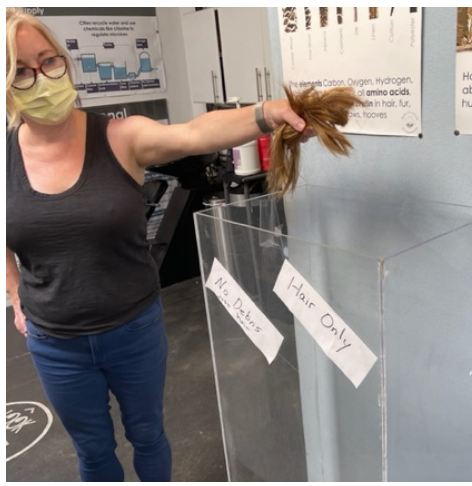

Do your neighborhood streets, vehicles or factories ever have oil spills?

Support our nonprofit's green jobs initiative that helps remediate soils and keep waterways clean.

We collect local, natural, waste fibers (hair and fur clippings from salons and pet groomers) then felt them into mats.

The U.S. Air Force, Army Corps of Engineers, UCB and University of Technology, Sydney, Australia have tested these materials and found them to be extremely efficient and ecological.

Please contact us if you would like to order hair mats, or hair mulch. Be a pilot study in your area today!

YOUR HAIRCUT HELPS TO KEEP WATERWAYS CLEAN!

Please tell
your hair salon
that we
accept hair
clippings

You shampoo because hair collects oil!

Natural fibers (clippings from salons and pet groomers) are generously mailed to our charity. We felt them into mats that soak up oil spills.

Our volunteers appreciate how salons and clients keep donation boxes 100% debris-free (zero rubber bands, pins, clips, papers, foils, food, cigarettes, extension tips, etc.) This is for safety reasons, because litter can damage the machines' needles and hurt our felters.

Thank you for your consideration and your contribution to green jobs and clean water!

YOUR PET'S TRIM HELPS TO KEEP WATERWAYS CLEAN!

Please tell your
groomer that
we accept fur
clippings

You shampoo because hair collects oil!

Natural fibers (clippings from salons and pet groomers) are generously mailed to our charity. We felt them into mats that soak up oil spills.

We appreciate how your donation 100% debris-free (zero poo, nail clippings, rubber bands, pins, clips, papers, foils, food, cigarettes, extension tips, etc.) This is for safety reasons, as litter can damage the machines' needles and hurt our felters.

Thank you for your pet's contribution and your consideration to green jobs and cleaner water!

HAIR MAT PURCHASES

TEAM@MATTEROFTRUST.ORG

(415)-242-6041

**You shampoo
because hair
collects oil!**

Our Hair Mats work wonders for both wild and urban environments. Not only are they able to soak up petroleum from emergency spills. They also catch litter in storm drains and filter runoff. They can help with soil erosion prevention, protect habitats from wildfire retardant contamination, absorb restaurant grease, and more!

If you are interested in purchasing a small order or a single sample mat for your school demonstration, science project or hair salon exhibit please go through our [gift shop](#).

Big orders of mats and/or booms for a fleet of vehicles, dock oil spill, coastal remediation, or other large-scale projects, please contact us directly. If your business, harbor, city, airport... wants to sponsor hair mats and support our program as part of a pilot study, we have several PR worthy projects!

FIELD TRIPS

SCHEDULE A TOUR!

TEAM@MATTEROFTRUST.ORG

(415)-242-6041

Looking into ecological, educational and inspirational ideas for your classroom ? We invite all students from Bay Area schools, daycare centers, youth-based organizations, and home schooling to join us for tours about clean air, water, energy, soils and materials!

We have developed a curriculum with engaging, hands-on activities that promote environmentally conscientious solutions. You can book our regular (1-1.5 hours) tour online, and we happily customize field trips to suit your specific needs.
