

# Please Donate your Corks!

Wine bottle corks can be re-used to help clean up oil spills! Corks help float our hair mats that filter chemicals out of the ocean and waterways!

Once you collect a bag of corks donate them on [thehumsum.org](http://thehumsum.org)  
or  
Scan the QR Code  
([matteroftrust.org/corks](http://matteroftrust.org/corks))  
to learn more!
